Dtd. 23rd June, 2023

IMPORTANT INFORMATION ON FORM-B SUBMISSION (UG ADMISSION- 2023-24)

Form-B is mandatory for admission into UG courses-2023-24. Link for Form-B submission and edit of Form-B will be live from 26.06.2023 to 17.07.2023. No requests to submit and edit Form-B after due date will be considered at any cost. A few important information are as given below. For details on submission of Form-B, Please refer to Clause 4.7 & Annexure-II of the UG Prospectus-2023 on OUAT website: www.ouat.nic.in and follow admission section. Rank will not be generated if a candidate does not appear the examination or submit Form-B.

1. The candidates must submit correct marks of 10th and +2 Science / equivalent (including extra optional) and that of physics, Chemistry and Mathematics or Biology as required in Application Form-B which is used to calculate weightage for preparation of final merit/rank list. Any wrong entry of marks in Form-B, to enhance weightage and rank if detected at the time of counseling and admission, will lead to rejection of candidature and denial of admission. No request to change marks and weightage at the time of counseling and admission will be entertained. Candidates can edit Form-B till the last date of submission of application. **(Clause 4.7.2 of UG Prospectus – 2023)**
2. The candidates must enter the total marks and secured marks of all subjects of HSC. Marks entered taking best of five or six subjects out of total subjects will not be considered and admission will be denied. **(Clause 4.7.3 of UG Prospectus – 2023)**
3. The candidates must enter the total marks and secured marks (including extra optional) of +2 science /equivalent. **(Clause 4.7.4 of UG Prospectus – 2022)**
4. The candidates who belong to Education Board CHSE, CBSE and ICSE are advised to correctly select the education board from the dropdown in Form-B and enter the marks of Physics, Chemistry, Mathematics and Biology correctly in the format shown on the application Form-B. Those who do not have either mathematics or biology in +2 science/equivalent will enter 0 (zero) in “marks obtained” cell (both theory and practical). **(Clause 4.7.5 of UG Prospectus – 2023)**
5. Candidates who belong to “Other Board/equivalent” (Education Boards/equivalent other than CHSE, CBSE and ICSE) where 1st and 2nd year marks are awarded separately should combine the theory and practical marks of both years and enter in the format. Wrong entry of marks to enhance weightage and rank will lead to rejection of candidature and denial of admission. **(Clause 4.7.6 of UG Prospectus – 2023)**
6. The "Other Board" candidates must enter correct "Total marks" & "Marks obtained" in Physics, Chemistry, Mathematics and Biology in the format shown on the application Form-B. Those who do not have studied either mathematics or biology in +2 science/equivalent will enter 0 (zero) for that subject in the "marks obtained" cell. However, the "total marks" cells for physics, chemistry, mathematics and biology should not be blank or with value "zero". The candidate must enter the actual “Total Marks” for a subject which the concerned board awards, even if he/she has not studied it during +2 sciences. **(Clause 4.7.7 of UG Prospectus – 2022)**
7. The candidates of “other board/equivalent” or any board where grades are awarded must convert the grade to marks/percentage and enter in Form-B. The candidate has to produce the “grade to marks/percentage” conversion formula/certificate from the concerned board at the time of counseling and admission failing which admission will be denied. **(Clause 4.7.8 of UG Prospectus – 2023)**
