## INFORMATION SHEET

### **1. Objective of the Scheme:**

To meet higher quality bench marks in teaching and research in agricultural and allied sciences including basic sciences in association of acclaimed academicians from OUAT retired stream of faculties. Such eminent and competent faculty is required to be engaged as Emeritus Professor or Scientist. These senior academicians will supplement teaching at the undergraduate and postgraduate levels and will collaborate with the faculty and scientists of OUAT to stimulate activities for quality research, mentoring and act as inspirational roles models.

### **2. Scope of the Scheme:**

Emeritus Professor or Emeritus Scientist is a title, recognizing distinguished academic service of fully retired Professor / Scientist from OUAT who meet the eligibility criteria. This scheme will help the superannuated teachers and scientists of OUAT to use their long experiences to contribute to the research and teaching which will benefit the students and the university

### **3. Eligibility:**

Should have served at least 5 years as Professor or equivalent in OUAT. Must have been actively engaged in teaching and research. Should have a minimum of 10 research publications out of which 2 shall be in journals with NAAS score 6.0 or above (TR equivalent) / authored 2 books published by reputed international or national publishers with ISBN number. Due weightage will be given for other honours and awards both national and international, fellowships of Science Academies / National Societies, patents granted, membership of Professional societies and contribution in research management positions. The applicant should not be holding any other post or be gainfully employed anywhere. The maximum age limit for applying the emeritus Professor / Scientist is 64 years.

### **4. Tenure:**

The engagee can work under this scheme up to the age of 65 years against vacant positions of Ass. Prof/ Assoc. Prof./ Prof. with initial appointment till 31.03.21025 or till the post is filled up in regular manner; whichever is earlier. This engagement can be extended on satisfactory performance. The engagement of Emeritus Professor is limited to one in each PG Department if vacancies exist.

### **5. Honorarium:**

Honorarium for Emeritus Professor/Scientist would be Rs. 50,000/-p.m. in addition to the pension drawn by the Emeritus professor/Scientist. The honorarium shall be subjected to Income Tax act.

### **6. Privileges:**

An emeritus Professor / scientist will be provided office/ working space by the host constituent Establishment with furniture, computer, laboratory facilities and library access. Eligible to avail 15 days leave with honorarium for each completed year or on pro rata basis for any fraction of a year. Taking leave beyond 15 days will lead to loss of remuneration for the period. The Dean / Director of the college will sanction the leave and maintain record with intimation to the Head of the Department. He /She would be entitled for the annual operational contingency @ Rs. 30,000/-. He/ She would be entitled to such other privileges including medical facilities in the wellness center as available to the University faculty members. Accommodation will be provided with normal rent as per the resolution of the Board of Management vide Resolution No.4235 dt. 10.03.2021

### **7. Obligation of the Emeritus Professor / Scientist:**

An Emeritus professor/scientist will teach courses of his/her specialization in U.G and P.G level and can act as a member of the advisory committee of Masters / Doctoral students. An Emeritus professor/scientist will mobilize project proposals for external funding. An Emeritus professor/scientist will not be having any administrative and financial power.

### **8. How to apply:**

The completed application should be submitted to the Registrar through the Deans / Directors of the constituent colleges of OUAT where the applicant proposes to work in the prescribed proforma (Annexure-I & II). The Deans/Directors will forward the applications with proper justification of teaching/research workload.

### **9. Cancellation of the appointment:**

The candidates on selection has to join in the position within one month from the date of issue of order by the University, failing which the offer may be withdrawn. The appointment of the emeritus Professor / Scientist can be cancelled in case of misconduct including research piracy, unsatisfactory work and ineligibility of the candidate if noticed later.
